Filler
– KNOW YOUR FOOD –

Toppings

New design!

Product description
TM «Filler» toppings are a natural products made from selected ingredients based on fruit puree and berries. They have a thick consistency, do not spread, keep their shape. Multi-purpose, simple and safe use of the product provides a convenient hygienic packaging format with a foil neck and a spout on the bottle cap. Toppings will decorate any dish, make your specialty drinks and desserts magical and more attractive to customers!
The rich and velvety taste of the topping perfectly complements and enhances the other flavors of your gastronomic creations.

Using
For coffee drinks, cocktails, milkshakes, as a decoration for pancakes, ice cream and other desserts, enrich the flavors of creams for cakes and pastries.

Terms and conditions of storage
Store the product for 6 months at a temperature from 0 to 18° and a relative humidity of no higher than 75% in a room without extraneous odors and exposure to direct sunlight.
